Alexandria, VA 22313-1450

Sir:

I, the undersigned, Phillip C. Keslin, declare and state as follows:

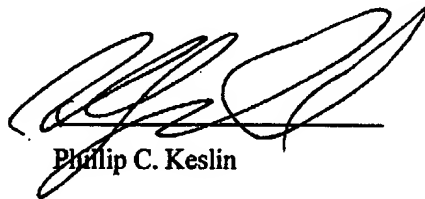

1. I am the named inventor in the above-captioned patent application.
2. I have read and understand the claims of the present application. In particular, independent claims 1, 6, and 15.
3. I have read and understand the Office Action dated June 17, 2005 (PTO Prosecution File Wrapper Paper No. 20050606). I have also read and understand the publication written by James E. Fowler, entitled "Evaluation of SGI Vizserver" (herein referred to as "Fowler"). In the Office Action, the Examiner has rejected independent claims 1, 6, and 15 under 35 U.S.C. § 102(a) as allegedly being anticipated by Fowler.
4. As an employee of Silicon Graphics, Inc. (SGI), I was the lead engineer during the development of the "SGI Vizserver" product that is described in Fowler.

5. I am the inventor of the subject matter described in Fowler that is also relied upon by the Examiner to reject independent claims 1, 6, and 15 of the present application.

6. I am also the inventor of the subject matter recited in independent claims 1, 6, and 15 of the present application.

7. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the present patent application or any patent issued thereon.

Respectfully submitted,

Phillip C. Keslin
